

It is as easy as 1, 2, 3, 4 to get medical help if and when you need it

Included as part of your FMCA membership is a medical help, evacuation and repatriation service you or your family members can access 24 hours a day any time you are traveling more than 100 miles from home. It doesn't matter whether you are in your GMC motorhome, traveling by common carrier, by air or by cruise ship, you are covered.

If you or your loved one experiences a medical issue.....

- 1) Call 9-1-1 or whatever the emergency telephone number is where you are.**
 - 2) Consult with the attending medical personnel to get the care you or your loved one needs right now.**
 - 3) Call Seven Corners, 877-202-4176 or 317-582-2619 (collect from Mexico).**
 - 4) Give them your FMCA membership number _____ and they will take care of the rest.**
-

They will assign an ombudsman on the spot to arrange and pay for transport to the best available medical facility for your needs. They will also make the arrangements and pay for getting your RV, traveling companions and pets get back home safely. You can get all the details at www.FMCA.com/FMCAssist or by calling FMCA at 877-202-4176.

Now do your part! Fill in your FMCA membership number above, print out three or more copies, cut on the dotted lines and tape this to the inside of the medicine chest in your GMC, give a copy to a trusted relative and put a copy in the glove compartment of your tow car, and a copy in your purse or wallet.
